Product Part No:

PSP-T149-82-SU-SPIDERNET-360MM- (BLACK OR GREY)

PSP-T149-58-SU-SPIDERNET-360MM- (BLACK OR GREY)

Tag Dimensions: 73mm Dia

Box quantity:

120 tags per carton / 45cm x 29cm x 60cm / 16.7Kg

Pallet quantity:

2160 tags per pallet via Sea Freight

1.2m x 1m x 1.97m = 318.6Kg (18 x cartons x 120 tags)

1440 tags per pallet via Air Freight

1.2m x 1m x 1.46m = 218.kKg (12 x cartons x 120 tags)

Description:

A proven in the marketplace high quality 3 Alarming Multi Grip tag with tensile strength security net for the protection of alcohol bottles and high value vulnerable merchandise in a retail environment. With a 3-5 years (replaceable) battery life these tags have a double locking system and an anti 'knock' system to prevent shock opening by using force to break open the tag. With a 95db audible and visual alarm plus low battery warning, the 3 bleeps denote the tags are active and live. The Φ80mm base allows bottles to sit comfortably within the nets without the issue of wobbling or falling to maximise shelf space. With a maximum height of 400mm these nets will protect most bottles seen and supplied by all retailers and supermarkets.

Features:

Protects bottles up to a height of 400mm

Double lock and anti-knock locking system

3-5 years battery life

3 alarm technology with a visual deterrent and LED flashing

Active indicator to demonstrate the tag is active and live

95db alarm volume

Low battery audible alarm

Compatible with magnetic superlock detachers used by all major supermarkets and retailers. For quick and easy removal at the point of sale.
No tangled wires and time-consuming application as with other wired spider tags.
